### A message from the Headteacher

Dear Parents and Guardians

Happy New Year to you! Following the Prime Minister's announcement on Monday of the new lockdown, I want to reassure you that The Tutorial Foundation is open for all our students. Where students choose to, or need to self-isolate, we will provide remote learning or workpacks to minimise the impact on our students' education.

We are already Lateral Flow Testing all students and staff on a regular basis to ensure we remain safe and Covid-free for everyone onsite. If anyone has been in close contact with a positive case, we will test those students and staff daily for 7 days. Anyone who tests positive will self-isolate for 10 days.

Please let the office know if your child or anyone in the household tests positive or displays any Covid symptoms as you should all self-isolate for 10 days at home.

Thank you, as always, for your support and understanding whilst we make arrangements for testing and any remote learning.

Yours sincerely,  
Julia Low

### Exams Update

The latest government guidance states that all of this year's examinations including GCSEs and Functional Skills will be cancelled and grades will be based on teacher assessment. Teachers will discuss this with all of Year 11 students.

We will update you as soon as soon as we receive further information.
